## **Time (Clock of the Heart)**

## **Culture Club**

Don't put your head on my shoulder Sink me in a river of tears This could be the best place yet But you must overcome your fearsIn time it could have been so much more The time is precious i know In time it could have been so much more The time has nothing to showBecause time won't give me time And time makes lovers feel Like they've got something real But you and me we know They've got nothing but time And time won't give me time Won't give me time Don't make me feel any colder Time is like a clock in my heart Touch we touch was the heat too much I felt i lost you from the startIn time it could have been so much more The time is precious i know In time it could have been so much more The time has nothing to show Because time won't give me time And time makes lovers feel Like they've got something real But you and me we know They've got nothin but time And time won't give me time Won't give me time
