

# Waiting For Love

Avicii

Where there's a will, there's a way, kind of beautiful  
And every night has its day, so magical  
And if there's love in this life, there's no obstacle  
That can't be defeated For every tyrant, a tear for the vulnerable  
In every lost soul, the bones of a miracle  
For every dreamer, a dream, we're unstoppable  
With something to believe in Monday left me broken  
Tuesday, I was through with hoping  
Wednesday, my empty arms were open  
Thursday, waiting for love, waiting for love  
Thank the stars it's Friday  
I'm burning like a fire gone wild on Saturday  
Guess I won't be coming to church on Sunday  
I'll be waiting for love, waiting for love to come around We are one of a kind, irreplaceable  
How did I get so blind and so cynical?  
If there's love in this life, we're unstoppable  
No, we can't be defeated Monday left me broken  
Tuesday, I was through with hoping  
Wednesday, my empty arms were open  
Thursday, waiting for love, waiting for love  
Thank the stars it's Friday  
I'm burning like a fire gone wild on Saturday  
Guess I won't be coming to church on Sunday  
I'll be waiting for love, waiting for love to come around
