## Waiting For Love

## Avicii

Where there's a will, there's a way, kind of beautiful And every night has its day, so magical And if there's love in this life, there's no obstacle That can't be defeatedFor every tyrant, a tear for the vulnerable In every lost soul, the bones of a miracle For every dreamer, a dream, we're unstoppable With something to believe inMonday left me broken Tuesday, I was through with hoping Wednesday, my empty arms were open Thursday, waiting for love, waiting for love Thank the stars it's Friday I'm burning like a fire gone wild on Saturday Guess I won't be coming to church on Sunday I'll be waiting for love, waiting for love to come aroundWe are one of a kind, irreplaceable How did I get so blind and so cynical? If there's love in this life, we're unstoppable No, we can't be defeatedMonday left me broken Tuesday, I was through with hoping Wednesday, my empty arms were open Thursday, waiting for love, waiting for love Thank the stars it's Friday I'm burning like a fire gone wild on Saturday Guess I won't be coming to church on Sunday I'll be waiting for love, waiting for love to come around Song Discussions is protected by U.S. Patent 9401941.
