Hotter Than Hell (Matoma Remix)

Dua Lipa & Matoma

He calls me the devil I make him wanna sin Every time I knock He can't help but let me inMust be homesick for the real I'm the realest it gets You probably still adore me With my hands around your neckCan you feel the warmth? Yeah As my kiss goes down you like some sweet alcohol Where I'm coming from, yeah It's the darker side of me that makes you feel so numb 'Cause I'm hot like hell Does it burn when I'm not there? When you're by yourself Am I the answer to your prayers? I'm giving you that pleasure heaven And I'll give it to youHotter than hell Hotter than hellYou're my manna from heaven We all gotta get fed Can let me know I'm wanted Can let me in your headI'm not here to make you kneel But it's praise that I'll get You ain't gonna walk free, boy Not finished with you yet, no Can you feel the warmth? Yeah As my kiss goes down you like some sweet alcohol Where I'm coming from, yeah It's the darker side of me that makes you feel so numb'Cause I'm hot like hell Does it burn when I'm not there? When you're by yourself Am I the answer to your prayers? I'm giving you that pleasure heaven And I'll give it to youHotter than hell Hotter than hellWhat you do right there You make me feel right there When you lay me down right there We just make it right there 'Cause you're looking so right there Baby you should touch me right there If you take me right there We can make it'Cause I'm hot like hell Does it burn when I'm not there? When you're by yourself
