

# Alive

Sia

    I was born in a thunderstorm  
        I grew up overnight  
            I played alone  
        I'm playing on my own  
            I survivedHey  
    I wanted everything I never had  
    Like the love that comes with light  
        I wore envy and I hated that  
But I survivedI had a one-way ticket to a place where all the demons go  
        Where the wind don't change  
And nothing in the ground can ever grow  
        No hope, just lies  
And you're taught to cry in your pillow  
        But I'll survive  
        I'm still breathing  
        I'm still breathing  
        I'm still breathing  
        I'm still breathing  
            I'm alive  
            I'm alive  
            I'm alive  
I'm aliveI found solace in the strangest place  
        Way in the back of my mind  
    I saw my life in a stranger's face  
And it was mineI had a one-way ticket to a place where all the demons go  
        Where the wind don't change  
And nothing in the ground can ever grow  
        No hope, just lies  
And you're taught to cry in your pillow  
        But I survived  
        I'm still breathing  
        I'm still breathing  
        I'm still breathing  
            I'm alive  
            I'm alive  
            I'm alive  
I'm aliveYou took it all, but I'm still breathing  
        You took it all, but I'm still breathing  
        You took it all, but I'm still breathing  
You took it all, but I'm still breathingI had made every single mistake  
        That you could ever possibly make  
    I took and I took and I took what you gave

But you never noticed that I was in pain  
I knew what I wanted; I went in and got it  
Did all the things that you said that I wouldn't  
I told you that I would never be forgotten  
And all in spite of you And I'm still breathing

I'm still breathing

I'm still breathing

I'm still breathing

I'm alive (You took it out, but I'm still breathing)

(You took it out, but I'm still breathing)

I'm alive (You took it out, but I'm still breathing)

(You took it out, but I'm still breathing)

I'm alive (You took it out, but I'm still breathing)

(You took it out, but I'm still breathing)

I'm alive I'm alive

I'm alive

I'm alive

I'm alive
