

Get Adicted

The Adicts

Nobody gonna kick us out
We are here to stay
Bang your head against the wall
We won't go away Get addicted in '79
Get addicted while you've still got time
Get addicted in '79
Get addicted We won't cause a revolution
We just wanna tell
This is 1979
We're gonna give it hell
[1979 version:]
Nobody gonna kick us out
we are here to stay
bang your head against the wall
we wont go away get addicted cause it aint no crime
get addicted while we still got time
get addicted get outta line
get ada ada ada ada addicted
we wont cause a revolution
we just wanna tell
this is... [fart noise]
we're ganna give'm hell [Chorus]
[First verse]
[Chorus 2x]
