

# Lay Me Down

Sam Smith

Yes, I do, I believe that one day  
I will be where I was  
Right there, right next to you  
And it's hard, the days just seem so dark  
The moon and the stars are nothing without you  
Your touch, your skin, where do I begin?  
No words can explain the way I'm missing you  
Deny this emptiness, this hole that I'm inside  
These tears, they tell their own story  
Told me not to cry when you were gone  
But the feeling's overwhelming  
It's much too strong  
Can I lay by your side?  
Next to you, you  
And make sure you're alright  
I'll take care of you  
I don't want to be here  
If I can't be with you tonight  
I'm reaching out to you  
Can you hear my call?  
This hurt that I've been through  
I'm missing you, missing you like crazy  
Told me not to cry when you were gone  
But the feeling's overwhelming  
It's much too strong  
Can I lay by your side?  
Next to you, you  
And make sure you're alright  
I'll take care of you  
And I don't want to be here  
If I can't be with you tonight  
Lay me down tonight  
lay me by your side  
Lay me down tonight  
lay me by your side  
Can I lay by your side?  
Next to you..  
you..
