

# Run Away with Me

Carly Rae Jepsen

You're stuck in my head  
Stuck in my heart  
Stuck in my body, body  
I wanna go, get outta here  
I'm sick of the party, party  
I'd run away, I'd run away with you ooh This is the part  
You gotta say all that you're feeling, feeling  
Packing a bag leaving tonight  
While everyone's sleeping, sleeping  
Let's run away  
I'd run away with you ooh 'Cause you make me feel like  
I could be driving you all night  
And I'll find your lips in the streetlights  
I wanna be there with you ooh  
Baby, take me to the feeling  
I'll be your sinner in secret  
When the lights go out  
Run away with me, run away with me  
Baby, every single minute  
I'll be your hero and win it  
When the lights go out  
Run away with me, run away with me Up in the clouds  
High as a kite  
Over the city, city  
We never sleep, we never try  
When you are with me, with me  
I wanna stay, I wanna stay with you ooh 'Cause you make me feel like  
I could be driving you all night  
And I'll find your lips in the streetlights  
I wanna be there with you ooh  
Oh baby, take me to the feeling  
I'll be your sinner in secret  
When the lights go out  
Run away with me, run away with me  
Oh baby, every single minute  
I'll be your hero and win it  
When the lights go out  
Run away with me, run away with me Hold on to me  
I never wanna let you go ooh (Run away with me, run away with me)  
Over the weekend  
We could turn the world to gold ooh (Run away with me, run away with me) Turn the lights  
tonight Over the weekend we could turn the world to gold ooh ooh Oh my baby, take me to the

feeling (take me to, take me to)  
I'll be your sinner in secret  
When the lights go out  
Run away with me, run away with me (Just run away with me)  
Baby, every single minute  
I'll be your hero and win it  
When the lights go out  
Run away with me, run away with me  
Run away with me, run away with me  
Run away with me, run away with me
