## Run Away with Me

## **Carly Rae Jepsen**

You're stuck in my head Stuck in my heart Stuck in my body, body I wanna go, get outta here I'm sick of the party, party

I'd run away, I'd run away with you oohThis is the part You gotta say all that you're feeling, feeling

Packing a bag leaving tonight
While everyone's sleeping, sleeping

Let's run away

I'd run away with you ooh'Cause you make me feel like

I could be driving you all night

And I'll find your lips in the streetlights

I wanna be there with you ooh

Baby, take me to the feeling

I'll be your sinner in secret

When the lights go out

Run away with me, run away with me

Baby, every single minute

I'll be your hero and win it

When the lights go out

Run away with me, run away with meUp in the clouds

High as a kite

Over the city, city

We never sleep, we never try

When you are with me, with me

I wanna stay, I wanna stay with you ooh'Cause you make me feel like

I could be driving you all night

And I'll find your lips in the streetlights

I wanna be there with you ooh

Oh baby, take me to the feeling

I'll be your sinner in secret

When the lights go out

Run away with me, run away with me

Oh baby, every single minute

I'll be your hero and win it

When the lights go out

Run away with me, run away with meHold on to me

I never wanna let you go ooh (Run away with me, run away with me)

Over the weekend

We could turn the world to gold ooh (Run away with me, run away with me)Turn the lights tonightOver the weekend we could turn the world to gold ooh oohOh my baby, take me to the

feeling (take me to, take me to)

I'll be your sinner in secret

When the lights go out

Run away with me, run away with me (Just run away with me)

Baby, every single minute

I'll be your hero and win it

When the lights go out

Run away with me, run away with me

Run away with me, run away with me

Run away with me, run away with me
