

Well Enough Alone

[Chevelle](#)

Walk down the realm
Hint to no one that this
Generic bond exists
Evil shows another side And like before, makes no sense
Never coming
Always leaving right before
Hooked on substance
Dig in deeper
Can't reveal Why we leave
Well enough alone
Never thought about the shame
So fed up
What's with the scenes?
Observe and leave instead
This pity wagon
Penetrates my skin
So sensitive, makes me sick And like before, makes no sense
Never coming
Always leaving like before Hooked on substance
Dig in deeper
Can't reveal Why we leave
Well enough alone
Never thought about the shame
The old and the aged
Pulled and never knew what hit
The old and the aged
Pulled and never knew what hit And like before, makes no sense
Never coming
Always leaving like before
ed on substance
Dig in deeper
Can't reveal
Why we leave
Well enough alone
Never thought about the shame
Why we leave
Well enough alone
Never thought about the shame
