

# Winner Takes It All

Sammy Hagar

I  
Watch with open eyes  
Till it's time  
To take it all the way, hey Everyday  
The game is ours to play  
Oh, tell me why  
There are no alibis 'Cause winner takes it all  
Loser takes a fall  
Fight to the beginning of the end Winner takes it all  
Till he breaks the fall  
In time he'll make it over the top  
Hey  
Hey  
You listen when I say  
There's a dream  
Oh, that's comin' true today, yeah Never turn away  
When the challenge is alive  
The choice is yours to make  
In every chance you take 'Cause the winner takes it all  
Loser takes a fall  
Fight till the beginning of the end Winner takes it all  
Till he breaks the fall  
In time he'll make it over the top First the mind  
Then the soul  
And when the heart  
Gets pumped up for the goal  
There's no defeat  
You'd sooner die  
It's man to man  
As we stand eye to eye Oh, winner takes it all  
Loser takes a fall  
Fight till the beginning of the end Winner takes it all  
Till he breaks the fall  
In time he'll make it over the top Winner takes it all  
Loser takes a fall  
Fight till the beginning of the end Winner takes it all  
Till he breaks the fall  
In time he'll make it over the top Winner takes it all  
Loser takes a fall  
Fight till the beginning of the end
