

# Subtle Thing

Marian Hill

It's 2AM and I am trying to sleep  
You told me "Lady, you were thinking of me"  
I don't wanna talk about it  
I don't wanna live without it  
You told me "Lady, you were thinking" It's a subtle thing  
When you look at me  
It's a subtle thing  
Such a subtle thing I always see you when I'm out on the street  
I wanna talk and you appear on my screen  
Dreaming like a broken record  
Looping all you know forever  
You told me "Lady, you were thinking"  
It's a subtle thing  
When you look at me  
It's a subtle thing  
Such a subtle thing  
Such a subtle thing We always play into  
I love the way we move  
Heard your favorite record on the day before we met  
(I love the way we move)  
Every time I hear it now I kinda start to swear  
(We always play)  
Wanna call you over when I feel you getting closer  
(Into)  
Are you teasing me?  
It's a subtle thing  
When you look at me  
It's a subtle thing  
Such a subtle thing  
(It's a subtle thing)  
(It's a subtle thing)  
Such a subtle thing
