## Moving Mountains

Take your hands away from your face  
So I can see everything you are  
And everything you used to be  
You used to be to me  
Something you don't want to be, I know  
You, you're like the sun  
And I am earth  
Together we're one  
But someday your fire will die  
And I'll grow cold without sunlight  
And I will freeze, baby  
I will die  
I'd freeze  
I'd die for you  
Things, they always die  
Just give it time  
They always die  
But we, someday we'll see  
Our love will shine  
Our love will shine  
Your love won't fade, darling  
Lover, I cannot do this alone  
Things like these are better off untold  
Someday the sun will die and I'll grow cold  
I hope someday your love finds its way home  
'Cause you are the sun  
And I am the earth  
You are the sun and I...
