

Somebody Like You

Keith Urban

There's a new wind blowin' like I've never known
I'm breathin' deeper than I've ever done
And it sure feels good
To finally feel the way I do Now I wanna love somebody, love somebody like you An' I'm lettin'
go of all my lonely yesterdays
I've forgiven myself for the mistakes I've made
Now there's just one thing
The only thing I wanna do I wanna love somebody, love somebody like you Yeah, I wanna feel
the sunshine
Shinin' down on me and you
When you put your arms around me
You let me know there's nothing in this world I can't do
I used to run in circles goin' no where fast
I'd take a one step forward and a two steps back
I couldn't walk a straight line
Even if I wanted to I wanna love somebody, love somebody like you Whoa, here we go now
Woo!
Hey! I wanna love you baby
Uh huh Yeah, I wanna feel the sunshine
Shinin' down on me and you
When you put your arms around me
Well, baby there ain't nothing in this world I can't do Sometimes it's hard for me to understand
But you're teachin' me to be a better man
I don't want to take this life for granted like I used to do
No, no
I wanna love somebody, love somebody like you I'm ready to love somebody, love somebody
like you And I wanna love somebody, love somebody like you, yeah Hey, I wanna love you baby
Woo!
Oh, oh
Yeah Oh, I wanna be around in the middle of the night
Shinin' like it's true
I wanna be the man that you run to, whenever I call on you
When everything that loved someone finally found it's way Wanna be a better man
I see it in you yeah Oh, yeah, yeah Hey, I wanna love you baby
Oh, oh, yeah yeah
