## The Barden Bellas

They say you're a freak when we're having fun  
Say you must be high when we're spreading love  
But we're just living life and we never stop  
We got the world, we got the wo...It's going down, I'm yelling timber  
You better move, you better dance  
Let's make a night you won't remember  
I'll be the one you won't forgetWoahThe bigger they are, the harder they fall  
These big-iddy boys are dig-gidy dogs  
I have 'em like Miley Cyrus, clothes off  
Twerking in their bras and thongs, timber!  
Face down, booty up, timber!  
That's the way we like to - what? Timber!  
I'm slicker than an oil spill  
She say she won't, but I bet she will, timber!They say you're a freak  
We got the world  
I got-got-got-gotYeah, we never stop  
We got the world  
I got-got-got-gotYou're a freak  
Timber, timber  
I got-got-got-gotYeah, we never stop  
World  
From sea to shining sea  
I came in like a wrecking ball (Wrecking ball)  
I never hit so hard in love (Hard in love)  
All I wanted was to break your walls (Break your walls)  
All you ever did was wreck me (Wreck me)End of the night, it's going downI came in like a  
wrecking ball (I'm yelling timber)  
Yeah, I just closed my eyes and swung (End of the night, it's going down)  
Left me crouching in a blaze and fall (I'm yelling timber)  
All you ever did was wreck me (End of the night, it's going down)They say you're a freak  
Yeah, you wreck me
