Pogo

[Intro: Pooh and Christopher Robin][Pooh]

Christopher Robin, what exactly is doing nothing?[Christopher Robin]

Well, I'll tell you what it means. Going along, listening to all the things you can't hear, and not

bothering[Post-Chorus: Pooh]

Dum dee dum, dee, dum dum

Dum dee dum, dee, dum dum

When I'm with you, I'm with you

Dum dee dum, dee, dum dum

Dum dee dum, dee, dum dum

When I'm with you, I'm with you

[Chorus: Pooh and Christopher Robin]

Forever, and ever

All alone, all alone

And you will always answer

Forever, forever, and ever

All alone, all alone[Christopher Robin]

Listening to all the things you can't hear No matter where- like this- always be toge-

You should know- always be toge-

No matter where- like this- always be toge-

Al- al- al- al- al- al- always be toge-

No matter where- like this- always be toge-

You should know- always be toge-

No matter where- like this- always be toge-

Al- al- al- al- al- al-

Every star, -ar ever- ah- ever you- ever

Every star, -ar ever- ah-

And you will always answer

Every star, -ar ever- ah- ever you- ever

Every star, -ar

Find me[Pooh]

Are you there?[Post-Chorus]

Dum dee dum, dee, dum dum

Dum dee dum, dee, dum dum

When I'm with you, I'm with you

Dum dee dum, dee, dum dum

Dum dee dum, dee, dum dum

When I'm with you, I'm with you[Christopher Robin]

Remember...[Chorus: Pooh and Christopher Robin]

Forever, and ever

All alone, all alone

And you will always answer

Forever, forever, forever and ever

All alone, all alone[Christopher Robin]
