

# Away In Silence

## Creed

You walked away in silence  
You walked away to breathe  
Stopped and turned around to say goodbye to me  
I'm pleading as you're leaving I'm begging you stay  
I'm not the man I used to be, I've changed  
I'm not the man I used to be, I've changed  
Don't give up on us, don't give up on love  
Don't give up on us, don't give up on love  
If my life is the price, then my life it will cost  
Now that I'm picking up the pieces see the pain that I have caused  
It's hard to believe in someone you thought was lost  
Don't give up on us, don't give up on love  
Don't you walk away in silence...  
In tears you counted reasons  
Tears covered you it seemed  
Face down screaming "God help me please"  
I'm pleading as your leaving; I'm begging you to stay  
I'm not the man I used to be, I've changed  
I'm not the man I used to be, I've changed  
Don't give up on us, don't give up on love  
Don't give up on us, don't give up on love  
If my life is the price, then my life it will cost  
It will cost my life  
Now that I'm picking up the pieces see the pain that I have caused  
It's hard to believe in someone you thought was lost  
Don't give up on us, don't give up on love  
Don't you walk away in silence  
Please come back to me  
Don't you walk away in silence  
I'm not the man I used to be!  
Well I pray that tomorrow you'll be home  
We can rebuild and forever we can go on  
Go on, and go on  
We can go on, well I pray that tomorrow you'll be home  
Look at horizons and let the light bring you home, bring you home  
Don't give up on us, don't give up on love  
Don't give up on us, don't give up on love  
If my life is the price, then my life it will cost  
Now that I'm picking up the pieces see the pain that I have caused  
It's hard to believe in someone you thought was lost  
Don't give up on us, don't give up on love  
Don't walk away in silence

Please don't walk away  
Don't you walk away in silence  
I'm not the man I used to be!
