Be Alone

Paramore

So what if I don't have

A lot to talk about?

I shut my mouth and keep it

Locked until it counts And what if I don't ever want

To leave my house?

Sit on the couch while

All my friends are going out(Alone)

You should be alone

Yeah, you should be alone You should be alone with me

We could be alone

Yeah, we could be aloneBut never get too lonelyI'll make the journey down the hall

Back to my room. And kill more time, and let it rot

Inside it's tomb, (inside it's tomb)See, I ain't one to climb

Some social leadder to.

Some Shangri-La

That all the cool kids will abuse

(Alone)

You should be alone

Yeah, you should be alone

You should be alone with me

We could be alone

Yeah, we could be alone

But never get too lonely

(We could be alone, together)

Oh-oh-oh, oh-oh

Oh-oh-oh, oh-oh

I'm a loner, I'm in love

With you alone

Oh-oh-oh, oh-oh

Oh-oh-oh, oh-oh-oh

Come, be alone, and be in love

With me alone

Oh-oh-oh, oh-oh

You should be alone

Yeah, you should be alone

You should be alone with me

We could be alone

Yeah, we could be alone

But never get too lonely

You should be alone

Yeah, you should be alone

You should be alone with me

We could be alone Yeah, we could be alone But never get too lonely. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
