

# Hey Joe

Charlotte Gainsbourg

Hey Joe, where you going with that gun in your hand  
Hey Joe, I said where you going with that gun in your hand I'm going down to shoot my old lady  
I caught her messing 'round with another man I'm going down to shoot my old lady now  
You know I caught her messing 'round with another man  
And that ain't too cool Hey Joe, I heard you shot your woman down  
You shot her down now  
Hey Joe, I heard you shot your lady down  
You shot her down to the ground  
Yes I did shot her  
You know I caught her messing 'round down Yes I did shot her  
You know I caught my her messing 'round down  
And I gave her the gun  
You shot her Hey Joe  
Where you gonna run  
Hey Joe  
Where you gonna run I'm going way down south  
Way down to Mexico way I'm going way down south  
Way down where I can be free  
Ain't no one gonna mess  
He ain't gonna put a rope me Hey, Joe, you better run on down  
Goodbye everybody
