

# Viva Forever

## Spice Girls

Do you still remember how we used to be? Feeling together, believing whatever my love has  
said to me

Both of us were dreamers, young love in the sun  
Felt like my saviour, my spirit I gave ya, we'd only just begun  
Hasta mañana  
Always be mine

Viva forever, I'll be waiting Everlasting like the sun Live forever, for the moment  
Ever searching for the one

Yes I still remember every whispered word  
The touch of your skin  
giving life from within like a love song never heard  
Slipping through our fingers, like the sands of time  
Promises made, every memory saved as reflections in my mind

Hasta mañana  
Always be mine  
Viva forever, I'll be waiting  
Everlasting like the sun  
Live forever, for the moment

Ever searching for the one Back where I belong now, was it just a dream?  
Feelings unfold, they will never be sold, and the secret's safe with me Hasta mañana  
Always be mine

Viva forever, I'll be waiting (Viva forever... I'll be waiting)  
Everlasting like the sun (Everlasting... Like the sun)  
Live forever, for the moment (Live forever... for the moment)  
Ever searching for the one (Ever searching... for the one)

Viva forever, I'll be waiting (Viva forever)  
Everlasting like the sun

Live forever, for the moment (Live forever)  
Ever searching for the one

Viva forever, I'll be waiting (Viva forever)  
Everlasting like the sun

Live forever, for the moment (Live forever)  
Ever searching for the one (For the one)

Viva forever, I'll be waiting (I'll be waiting)  
Everlasting like the sun

Live forever, for the moment (Live forever)  
Ever searching for the one (For the one)
