

Viva Forever

Spice Girls

Do you still remember how we used to be? Feeling together, believing whatever my love has
said to me

Both of us were dreamers, young love in the sun
Felt like my saviour, my spirit I gave ya, we'd only just begun
Hasta mañana
Always be mine

Viva forever, I'll be waiting Everlasting like the sun Live forever, for the moment
Ever searching for the one

Yes I still remember every whispered word
The touch of your skin
giving life from within like a love song never heard
Slipping through our fingers, like the sands of time
Promises made, every memory saved as reflections in my mind

Hasta mañana
Always be mine
Viva forever, I'll be waiting
Everlasting like the sun
Live forever, for the moment

Ever searching for the one Back where I belong now, was it just a dream?
Feelings unfold, they will never be sold, and the secret's safe with me Hasta mañana
Always be mine

Viva forever, I'll be waiting (Viva forever... I'll be waiting)
Everlasting like the sun (Everlasting... Like the sun)
Live forever, for the moment (Live forever... for the moment)
Ever searching for the one (Ever searching... for the one)
Viva forever, I'll be waiting (Viva forever)
Everlasting like the sun
Live forever, for the moment (Live forever)
Ever searching for the one
Viva forever, I'll be waiting (Viva forever)
Everlasting like the sun
Live forever, for the moment (Live forever)
Ever searching for the one (For the one)
Viva forever, I'll be waiting (I'll be waiting)
Everlasting like the sun
Live forever, for the moment (Live forever)
Ever searching for the one (For the one)
