

# Lady (feat. Pitbull) [Luca Debonaire Remix]

## Austin Mahone

This is for the beautiful girls around the world  
Mr. Worldwide  
This is for the beautiful girls around the world  
Austin M., talk to 'em Lady, hear me tonight  
'Cause my feeling, is just so right  
As we dance, by the moonlight  
Can't you see, you're my delight?  
Lady, I just feel like  
I won't get you, out of my mind  
I feel love, for the first time  
And I know that it's true, I can tell by the look in your eyes  
I don't know your game, but it's magic  
I like how it feels when we're dancing  
Just let go, don't make it a challenge baby, yeah baby  
So give me yours and girl I'll give you mine  
Show me something for I spend some time  
'Cause I got love I wanna make all night  
With you baby, with you baby Lady, hear me tonight  
'Cause my feeling, is just so right  
As we dance, by the moonlight  
Can't you see, you're my delight?  
Lady, I just feel like  
I won't get you, out of my mind  
I feel love, for the first time  
And I know that it's true, I can tell by the look in your eyes  
Now I'm back in the love alert  
Laidback, open up, now it's my turn  
Let me make sure that you feel right, feel good  
Feel wet, feel freaky, feel nasty, feel wood  
It's all good, we can keep it on the low, hush hush  
I made it skate skate skate, no rush  
We can make straight love or straight fuck  
As long as EPT say no plus  
(Lady)  
Lately, I've been thinkin' 'bout you my baby  
I've been thinkin' bout sexin' you crazy  
I've been thinkin' 'bout doin' the things you shouldn't do  
Like in a bathroom star with a car  
On the dancefloor, over the bar  
Or next time in L.A., pull over, get off, and you feel me right next to my Hollywood  
starPlay with it  
Lady, hear me tonight

'Cause my feeling, is just so right  
As we dance, by the moonlight  
Can't you see, you're my delight?  
Lady, I just feel like  
I won't get you, out of my mind  
I feel love, for the first time  
And I know that it's true, I can tell by the look in your eyes  
Lady  
Lady, ooh  
Lady, hear me tonight  
'Cause my feeling, is just so right  
As we dance, by the moonlight  
Can't you see, you're my delight?  
Lady, I just feel like  
I won't get you, out of my mind  
I feel love, for the first time  
And I know that it's true, I can tell by the look in your eyes
