

# Stand Still

ZAYN

[Verse 1]

Skies of blue and birds of yellow  
Flowers growing just to bloom  
A million chances of our glances  
Catching eyes across the room[Chorus]

If time stands still  
Move I will to you  
This world's filled  
Somehow I see you  
Move I will to you

[Verse 2]

Rain could pour upon your face now  
And yet your beauty would still shine  
I would live a thousand lifetimes  
If it's you I'm sent to find[Chorus]

If time stands still  
Move I will to you  
This world's filled  
Somehow I see you  
Move I will to you[Bridge]

Move all the water, babe  
Lift the rocks up, tide getting stuck  
Nothing can stop us  
Move all the water, babe  
Lift the rocks up, tide getting stuck  
Nothing can stop us

[Chorus]

If time stands still  
Move I will to you  
This world's filled  
Somehow I see you  
If time stands still (If time stands still)  
Move I will to you (Move I will to you)  
This world's filled  
Somehow I see you (Some how I see you)  
Move I will to you
