

# Ladykiller

## Maroon 5

Baby it's not alright,  
The second that you turn your back she'll be outta sight  
Baby she'll break your heart,  
The second that you spend the night apart How could you do it?  
Oh, how could you walk away  
From everything we made  
How could you do it?  
Oh you better watch yourself  
I think that girl's insane Ooooh  
She's in it just to win it  
Don't trust her for a minute  
Ooooh  
It's a like cheap thriller  
She's such a ladykiller

...

Baby she'll eat you alive,  
As soon as she smells your blood in the water  
You better run to survive, Before she makes you her latest slaughter  
How could you do it?  
Oh, just come back to me,  
Baby, I'm begging please  
How could you do it?  
Oh, she knows I love you still, You're just a latest kill  
Ooooh  
She's in it just to win it  
Don't trust her for a minute  
Ooooh  
It's a like cheap thriller  
She's such a ladykiller

...

Ooooooh  
She's in it just to win it  
Don't trust her for a minute  
Ooooh  
It's a like cheap thriller  
She's such a ladykiller  
Ooooh  
She's in it just to win it  
Don't trust her for a minute  
Ooooh  
It's a like cheap thriller  
She's such a ladykiller
