Walk the Sky (feat. Various Artists)

Fuel

My skin is my shield But who's to save me from inside Wretched as if To procreate from genocideSee how it tried to fly Wings that are kryptoniteI wanted to fell this I'm thinking of trying to fly 'Cause if I get my ins I'll walk the sky All that is ill And all I fight to keep inside Grips me until The point of breaking's no surpriseSee how it tried to fly Wings that are kryptoniteI wanted to feel this I'm thinking of trying to fly 'Cause if I get my ins I'll walk the skyI wanted to feel this I'm thinking of trying to fly 'Cause if I get my ins I'll walk the sky I wanted to feel this I'm thinking of trying to fly 'Cause if I get my ins I'll walk the sky
