

Over and Over

Nelly

Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
Cause it's all in my head
I think about it over and over again
I replay it over and over again
And I can't take it yeah I can't shake it
Nooo

I can't wait to see you
Want to see if you still got that look in your eyes
That one you had for me before we said our goodbyes
And it's a shame that we got to spend our time
Being mad about the same things
Over and over again
About the same things
Over and over again
Ohh

But I think she's leaving
Ooh man she's leaving
I don't know what else to do
(I Can't go on not loving you)
Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
Cause its all in my head
I think about it over and over again
I replay it over and over again yeah
And I can't take it yeah I can't shake it
Nooo I remember the day you left
I remember the last breath you took right in front of me
When you said that u would leave
I was too damn stubborn to try to stop you or say anything
But I see clearly now
And this choice I made keeps playing in my head
Over and over again
Playing my head
Over and over again
Ohh

I think she's leaving
Ooh man she's leaving

I don't know what else to do
(I Can't go on not loving you) Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
Cause its all in my head
I think about it over and over again
I replay it over and over again
And I can't take it I can't shake it
Nooo (Now that I've realized that I'm going down
From all this pain you've put me through
Every time I close my eyes I lock it down oh
I can't go on not loving you) Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
Cause its all in my head
I think about it over and over again
I replay it over and over again
And I can't take it I can't shake it
Nooo Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
And it hurts so bad, yeah
Cause its all in my head
I think about it over and over again
I replay it over and over again
And I can't take it I can't shake it
Nooo Over and Over again
Over and Over again
Cause it's all in my head
