

# Over and Over

Nelly

Cause its all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah  
Cause it's all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it yeah I can't shake it  
Nooo

I can't wait to see you  
Want to see if you still got that look in your eyes  
That one you had for me before we said our goodbyes  
And it's a shame that we got to spend our time  
Being mad about the same things  
Over and over again  
About the same things  
Over and over again

Ohh

But I think she's leaving  
Ooh man she's leaving  
I don't know what else to do  
(I Can't go on not loving you)  
Cause its all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again yeah  
And I can't take it yeah I can't shake it  
Nooo I remember the day you left  
I remember the last breath you took right in front of me  
When you said that u would leave  
I was too damn stubborn to try to stop you or say anything  
But I see clearly now  
And this choice I made keeps playing in my head  
Over and over again  
Playing my head  
Over and over again  
Ohh  
I think she's leaving  
Ooh man she's leaving

I don't know what else to do  
(I Can't go on not loving you) Cause its all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it I can't shake it  
Nooo (Now that I've realized that I'm going down  
From all this pain you've put me through  
Every time I close my eyes I lock it down oh  
I can't go on not loving you) Cause its all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it I can't shake it  
Nooo Cause its all in my head  
I think about it over and over again  
And I can't keep picturing you with him  
And it hurts so bad, yeah  
Cause its all in my head  
I think about it over and over again  
I replay it over and over again  
And I can't take it I can't shake it  
Nooo Over and Over again  
Over and Over again  
Cause it's all in my head
