

# The Girl Is Mine (feat. Destiny's Child & Brandy)

## 99 Souls

Excuse me, can I please talk to you for a minute? Take a minute girl, come sit down  
What's been happening? What's been happening?  
Take a minute, take a minute girl  
Take a minute girl, come sit down  
What's been happening? What's been happening?  
Take a minute, take a minute girl  
Come too far for you to feel alone  
Don't let him walk over your heart  
We've come too far for you to feel alone  
In your face I can see passion  
Come too far for you to feel alone  
Don't let him walk over your heart  
We've come too far for you to feel alone  
In your face I can see passion  
It's not hard to see, the girl is mine  
It's not hard to see, the girl is mine  
It's not hard to see, the girl is mine  
It's not hard to see, the girl is mine  
Excuse me, can I please talk to you for a minute?  
You're my girl, you're my  
You're my girl  
You're my girl, you're my girl Take a minute girl, come sit down  
What's been happening? What's been happening?  
Take a minute, take a minute girl  
Take a minute girl, come sit down  
What's been happening? What's been happening?  
Take a minute, take a minute girl  
Come too far for you to feel alone  
Don't let him walk over your heart  
We've come too far for you to feel alone  
In your face I can see passion  
Come too far for you to feel alone  
Don't let him walk over your heart  
We've come too far for you to feel alone  
In your face I can see passion  
It's not hard to see, the girl is mine  
It's not hard to see, the girl is mine  
It's not hard to see, the girl is mine  
It's not hard to see, the girl is mine  
Think it's time we got this straight, let's sit and talk face to face

There's no way I could mistake, the girl is mine  
Think it's time we got this straight, let's sit and talk face to face  
There's no way I could mistake, the girl is mine Excuse me, can I please talk to you for a  
minute?

It's not hard to see, the girl is mine  
It's not hard to see, the girl is mine  
It's not hard to see, the girl is mine  
It's not hard to see, the girl is mine  
Excuse me, can I please talk to you for a minute?
