

# Let's Take the Long Way Around the World

[Ronnie Milsap](#)

In the daily rush of things  
If we stop to think it seems  
We never have time alone Doing things we have to do  
Not much time for me and you  
Before me know it, it will all be gone Let's take the long way around the world  
Sharing each other as we go  
Let's take the long way around the world  
And let's take it real slow I get hungry just to talk  
Take your hand and take a wake  
I never have you to myself enough The two of us are really one  
And when it's all said and done  
The only thing that really lasts is love  
Let's take the long way around the world  
Sharing each other as we go  
Let's take the long way around the world  
And let's take it real slow (Repeat twice to fade)
