Mr. Briefcase

Lee Ritenour

Businessman, green sedan

Sold his soul to reach his goal

Working his way up the ladder

Success is the ends and his lies are the meansBusiness cards, big cigars

Smiles conceal a rotten deal

Money can talk and he knows it

One piece of paper can make you or break you apartOh - It's a rat race, Mr. Briefcase

Can you keep pace, Mr. Briefcase?

What do you keep in that bag of tricks?

Is there anything at all in that briefcase?

If I sign my name must I play the game?

A deal's a deal when it's signed and sealed

No time to feel sorry for losers

A cat gets the mouse and the dog eats the dog - OhOh - It's a rat race, Mr. Briefcase

Can you keep pace, Mr. Briefcase?

What do you keep in that bag of tricks?

Is there anything at all in that briefcase? Businessman, shake my hand

Tell me lies, but hide your eyes

Hang on real tight to your briefcase

If you should lose it, you'll have to stand naked like meIt's a rat race, Mr. Briefcase

Can you keep pace, Mr. Briefcase?

What do you keep in that bag of tricks?

Is there anything at all?

Oh - It's a rat race, Mr. Briefcase

Can you keep pace, Mr. Briefcase?

What do you keep in that bag of tricks?

Is there anything at all?

Is there anything at all?

Is there anything at all in that briefcase?
