

Supernatural

Ke\$ha

Baby, when we're touching in the dark
Can you feel it? I can hear the pounding of my heart
Can you feel it? When you take my body to the stars
I believe it Boy, this love is supernatural
Can you feel it? Come, take me by the hand
Wanna cross the line, baby, go ahead
'Till the morning light, watch my silhouette
'Cause you know tonight we're gonna wake the dead
Get a little bit wrong, get a little bit wild
Get a little bit high off of this love tonight
Get a little bit raw, come a little undone
Get a little bit reckless, I can't get enough
Baby, when we're touching in the dark
Can you feel it?
I can hear the pounding of my heart
Can you feel it?
When you take my body to the stars
I believe it Boy, this love is supernatural
Can you feel it? Come, take me in the night
I feel it in my blood, want the darker side Baby, when we touch, look me in the eyes
Poison me with love, I'll bring you back to life Get a little bit wrong, get a little bit wild
Get a little bit high off of this love tonight
Get a little bit raw, come a little undone
Get a little bit reckless, I can't get enough
Baby, when we're touching in the dark
Can you feel it?
I can hear the pounding of my heart
Can you feel it?
When you take my body to the stars
I believe it Boy, this love is supernatural
Can you feel it?
Baby, when we're touching in the dark
I can hear the pounding of my heart
Baby, when we're touching in the dark
Can you feel it?
I can hear the pounding of my heart
Can you feel it?
When you take my body to the stars
I believe it
Boy, this love is supernatural
Can you feel it?
