## Harry Styles

Don't you call him 'baby'  
We're not talking lately  
Don't you call him what you used to call me I, I confess  
I can tell that you are at your best  
I'm selfish so I'm hating it I notice that  
There's a piece of you in how I dress  
Take it as a compliment  
Don't you call him 'baby'  
We're not talking lately  
Don't you call him what you used to call me I, I just miss  
I just miss your accent and your friends  
Did you know I still talk to them? Does he take you walking 'round his parents' gallery? Don't  
you call him 'baby'  
We're not talking lately  
Don't you call him what you used to call me  
Don't you call him 'baby'  
We're not talking lately  
Don't you call him what you used to call me Coucou ! Tu dors ? Oh, j'suis désolé...  
Bah non... Nan c'est pas marrant
