Sitting courtside Knicks and Nets give me high fives

New York, New York Lights is blinding
Girls need blinders
So they can step out of bounds quick
The side lines is blind with casualties
Who sipping life casually, then gradually become worse
Don't bite the apple Eve
Caught up in the in crowd
Now your in style
And in the winter gets cold en vogue with your skin out
The city of sin is a pity on a whim Good girls gone bad, the cities filled with them
Mommy took a bus trip and now she got her bust out
Everybody ride her, just like a bus route
Hail Mary to the city your a Virgin And Jesus can't save you life starts when the church ends
Came here for school, graduated to the high life
Ball players, rap stars, addicted to the limelight
MDMA got you feeling like a champion
The city never sleeps better slip you a Ambien
In New York,
Concrete jungle where dreams are made of,
There's nothing you can't do,
Now you're in New York,
These streets will make you feel brand new,
Big lights will inspire you,
Let's hear it for New York,
New York, New York
One hand in the air for the big city, Street lights, big dreams all looking pretty,
No place in the world that can compare,
Put your lighters in the air, everybody say yeeah yeeah
yeeah yeeah
Come on, come on
In New York,
Concrete jungle where dreams are made of,
There's nothing you can't do,
Now you're in New York,

These streets will make you feel brand new,
Big lights will inspire you,
Let's hear it for New York,
New York, New York
