In Technicolor, Pt. II

Jesse McCartney

Once upon a time, babe
I was color-blinded
Nothing was real, no no no
I was just a blank page
You colored in the lines, baby
It's so surrealYou saved me
You took my life from black and white
Now I live in Technicolor
I don't want to be without you
Livin' in a world with no view
What the hell would I do, would I do?
No clue, I need you
In Technicolor
I don't want to be without you
Livin' in a world with no view
What the hell would I do, would I do?
No clue, I need you
In TechnicolorTechnicolor
Technicolor
In Technicolor
Technicolor
Technicolor
In Technicolor
Give me red, give me red, give me romance
You change my color, baby, every time you give me that
Ohh, ooooooh
I'll run away with you, baby
I'll run away with you
Cause with you the spectrum's never been so clearYou saved me
You took my life from black and white
Now I live in TechnicolorI don't want to be without you
Livin' in a world with no view
What the hell would I do, would I do?
No clue, I need you
In Technicolor
