

# I Don't Think About It

Emily Osment

I Don't Think About It  
I Don't Think About It Misundertood  
Everybody Feels that way sometimes  
Oh-oh-ohh  
I Whish i Could fit with all the rest but I...  
Oh-oh-ohh  
Got my Own Style  
Got my own way  
I Dont care what people say Yeah!  
Cause  
I Don't Think About It  
I Don't Think About It  
I Don't Think About It  
Being Myself there aint no doubt about It  
I Wont Crying any tears  
I Just live without fear  
Im so Happy cause im living my life and i don't thinkabout It  
A shooting star twinkling across the sky at night  
Oh-oh-ohh  
Near or far I wish that everything would be all right  
Oh-oh-ohh  
Got my own dreams  
Got my own plans Gonna get there anyway I can cuz  
I Don't Think About It  
I Don't Think About It  
I Don't Think About It  
Being Myself there aint no doubt about it  
I wont crying any tears  
I Just live without fear Im so Happy cause im living my life and I don't think  
about it  
Got my own style Got my own way  
I Don't care what people say Yeah!  
Cause  
I Don't Think About It  
I Don't Think About It  
I Don't Think About It  
Being Myself There aint no doubt about it  
I wont crying any tears I Just live without fear  
Im So Happy cause im living my life and I don't think  
about it  
I Don't Think About it  
I Don't Think About it

I Don't Think About it  
Being Myself there aint no doubt about it  
I wont crying any tears I Just Live without fear  
Im So Happy Cause im living my life and Don't Think  
About it  
Think About it.  
Think About it.  
Ohh.i don't want to think about it  
Whoahh.Yeahhhh.cause im living my life and "I Dont  
Think About It"
