

# Don't Tell Me What to Do

Pam Tillis

We tried and we tried, but it's over  
Guess I didn't fit the image in your mind  
Now you tell me to find another lover  
Oh, but baby, aren't you gettin' out of line  
Don't tell me what to do  
You've already said we are through  
I'm a page that you have turned  
I'm no longer your concern  
So, don't tell me what to do  
I'll love you forever if I want to  
You're no longer in charge of my thinking  
You're already in love with someone else  
So, if I'm into all night honky tonkin'  
Well, I'm a big girl, I can take care of myself  
So, don't tell me what to do  
You've already said we are through  
I'm a page that you have turned  
I'm no longer your concern  
So, don't tell me what to do  
I'll love you forever if I want to  
So, don't tell me what to do  
You've already said we are through  
I'm a page that you have turned  
I'm no longer your concern  
So, don't tell me what to do  
Well, I'll love you forever if I want to
