

# Always

## Depeche Mode

The well is dry and the stream runs shallow  
And the sun is high and the field lies fallow  
My tongue is tied and my body aching  
Now I'm open wide and afraid of breaking  
The food is hot and the table's ready  
But my stomach's knots make my hands  
Unsteady  
So I take to pacing up and down the room  
While my heart keeps racing and my mind's  
Consumed  
I just want to be part of the light of the light of  
The light of the light of the light in your eyes  
I just want to be part of the light of the light of  
The light of the light of the light in your eyes  
The bed is made and the candles burning  
All our games are played and the clock keeps  
Turning  
We're out of tricks with the silence cutting  
And the daggers stick as the doors keep  
Shutting  
I just want to be part of the fight of the fight of  
The fight of the fight of the fight in your eyes  
I just want to be part of the fight of the fight of  
The fight of the fight of the fight in your eyes  
Always Always, forever
