

Givin' Up

Jason Derulo

I'm givin' up yeah
I'm givin' up yeah
I'm givin' up searching, searching, searching to find
Finally found the one, it's you It turns me on when I wake up
You're wearing my shirt no make up
You're singing real loud when we make love, Woooooohooo!
The only one I tell all my problems, one smile, no-one to solve em'
Oh how your body sings, Woooooohooo! No matter, true say, you always sounds sexy to me
That's when you know oh oh oh oh
You know oh oh oh oh
When your skin touches mine
I just wanna love you, all night
That's when you know oh oh oh oh
You know oh oh oh oh
Oh Nothing, Oh Nothing
Nothing else matters to me
Oh No-one, Oh No-one
No-one makes me feel this way I've been searching, searching, searching to find
Finally found the one that's you
I've been searching, searching, searching to find
Finally found the one, I'm through I'm givin' up yeah
I'm givin' up yeah
I'm givin' up searching, searching, searching to find
Finally found the one, It's you I love it when you wanna put my chain on
Playing in bed throw a game on
Not watching for long cuz the same song, Woooooohooo!
Oh how you whisper, you got me
Then you kiss every inch of my body
You're touching every tattoo, like Woooooohooo!
No matter, true say, you always sounds sexy to me
That's when you know oh oh oh oh
You know oh oh oh oh
When your skin touches mine, I just wanna love you, all night
That's when you know oh oh oh oh
You know oh oh oh oh Oh Nothing, Oh Nothing
Nothing else matters to me
Oh No-one, Oh No-one
No-one makes me feel this way I've been searching, searching, searching to find
Finally found the one that's you
I've been searching, searching, searching to find
Finally found the one, I'm through I'm givin' up all those games, all my time
Tell the world your mine

Like, like, Woooooohooo!
Like, like, Woooooohooo!
I'm givin' up all these girls, players life
Tell the world your mine
Like, like, Woooooohooo!
Like, like, Woooooohooo! Oh Nothing, Oh Nothing
Nothing else matters to me
Oh No-one, Oh No-one
No-one makes me feel this way
I've been searching, searching, searching to find
Finally found the one, it's you
I've been searching, searching, searching to find
Finally found the one, I'm through
I'm givin' up yeah
I'm givin' up yeah
I'm givin' up searching, searching, searching to find
Finally found the one, that's you...
