

Welcome To New York

Taylor Swift

Walking through a crowd, the village is aglow
Kaleidoscope of loud heartbeats under coats
Everybody here wanted something more
Searching for a sound we hadn't heard before
And it said Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York
It's a new soundtrack
I could dance to this beat, beat
Forevermore
The lights are so bright
But they never blind me, me Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York When we first dropped our bags on apartment floors
Took our broken hearts, put them in a drawer
Everybody here was someone else before
And you can want who you want
Boys and boys and girls and girls Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York
Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York It's a new soundtrack
I could dance to this beat, beat
Forevermore
The lights are so bright
But they never blind me, me Welcome to New York (New York)
It's been waiting for you
Welcome to New York
Welcome to New York Like any great love, it keeps you guessing
Like any real love, it's ever-changing
Like any true love, it drives you crazy
But you know you wouldn't change anything, anything, anything Welcome to New York
It's been waiting for you
Welcome to New York

Welcome to New YorkWelcome to New York

It's been waiting for you

Welcome to New York

Welcome to New YorkIt's a new soundtrack

I could dance to this beat

The lights are so bright

But they never blind me

Welcome to New YorkNew soundtrack

It's been waiting for you

Welcome to New York

The lights are so bright

But they never blind meWelcome to New York

So bright, they never blind me

Welcome to New York

Welcome to New York
