

# We Built This City

## Starship

We built this city  
we built this city on rock and roll  
Built this city  
we built this city on rock and roll Say you don't know me or recognize my face  
Say you don't care who goes to that kind of place  
Knee deep in the hoopla, sinking in your fight  
Too many runaways eating up the night Marconi plays the mamba, listen to the radio, don't you  
remember?  
We built this city, we built this city on rock and roll We built this city, we built this city on rock  
and roll  
Built this city, we built this city on rock and roll  
Someone's always playing corporation games  
Who cares, they're always changing corporation names  
We just want to dance here, someone stole the stage  
They call us irresponsible, write us off the page Marconi plays the mamba, listen to the radio,  
don't you remember?  
We built this city, we built this city on rock and roll We built this city, we built this city on rock  
and roll  
Built this city, we built this city on rock and roll It's just another Sunday in a tired old street  
Police have got the choke hold, oh, then we just lost the beat Who counts the money underneath  
the bar?  
Who rides the wrecking ball into our guitars?  
Don't tell us you need us 'cause we're the ship of fools  
Looking for America, coming through your schools (I'm looking out over that Golden Gate  
bridge  
on another gorgeous sunny Saturday and I'm seein' that bumper to bumper traffic) Don't you  
remember? (remember)  
(Here's your favorite radio station, in your favorite radio city, the city by the bay, the city that  
rocks, the city that never sleeps)  
Marconi plays the mamba, listen to the radio, don't you remember?  
We built this city, we built this city on rock and roll  
We built this city, we built this city on rock and roll  
Built this city, we built this city on rock and roll  
Built this city, we built this city on rock and roll  
Built this city, we built this city on rock and roll  
(We built, we built this city) built this city  
(we built, we built this city)  
(We built, we built this city) built this city  
(we built, we built this city)  
(We built, we built this city) built this city  
(we built, we built this city)  
(We built, we built this city) built this city

(we built, we built this city)
