

We Built This City

Starship

We built this city
we built this city on rock and roll
Built this city
we built this city on rock and roll Say you don't know me or recognize my face
Say you don't care who goes to that kind of place
Knee deep in the hoopla, sinking in your fight
Too many runaways eating up the night Marconi plays the mamba, listen to the radio, don't you
remember?
We built this city, we built this city on rock and roll We built this city, we built this city on rock
and roll
Built this city, we built this city on rock and roll
Someone's always playing corporation games
Who cares, they're always changing corporation names
We just want to dance here, someone stole the stage
They call us irresponsible, write us off the page Marconi plays the mamba, listen to the radio,
don't you remember?
We built this city, we built this city on rock and roll We built this city, we built this city on rock
and roll
Built this city, we built this city on rock and roll It's just another Sunday in a tired old street
Police have got the choke hold, oh, then we just lost the beat Who counts the money underneath
the bar?
Who rides the wrecking ball into our guitars?
Don't tell us you need us 'cause we're the ship of fools
Looking for America, coming through your schools (I'm looking out over that Golden Gate
bridge
on another gorgeous sunny Saturday and I'm seein' that bumper to bumper traffic) Don't you
remember? (remember)
(Here's your favorite radio station, in your favorite radio city, the city by the bay, the city that
rocks, the city that never sleeps)
Marconi plays the mamba, listen to the radio, don't you remember?
We built this city, we built this city on rock and roll
We built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll
Built this city, we built this city on rock and roll
(We built, we built this city) built this city
(we built, we built this city)
(We built, we built this city) built this city
(we built, we built this city)
(We built, we built this city) built this city
(we built, we built this city)
(We built, we built this city) built this city

(we built, we built this city)
