

# The Nightlamps

## Delorean

Last night I had a dream about tim  
Small kids break some teeth to lick the pale feet  
Lay down the bed with nightlamps to read more to drink more to forget  
French suits and smoke  
Fuzzy nitgh loves  
Shoegazing late shows  
Fearing moles in the dark  
Kids trying out to hard girls giving up to fastFearing sex and puberty lust  
Puffy pants at waists  
French suits and smoke  
Fuzzy nitgh loves  
Shoegazing late shows  
Fearing moles in the dark  
'Go and try it you should go and try it just go to try it go and try it'
