

# Circus

## Britney Spears

There's only two types of people in the world:  
The ones that entertain, and the ones that observe  
Well, baby, I'm a put-on-a-show kind of girl  
Don't like the back seat, gotta be first I'm like the ring leader, I call the shots (Call the shots)  
I'm like a firecracker, I make it hot  
When I put on a show  
I feel the adrenaline moving through my veins  
Spotlight on me and I'm ready to break  
I'm like a performer, the dance floor is my stage  
Better be ready, hope that you feel the same  
All eyes on me in the center of the ring just like a circus  
When I crack that whip everybody gon' trip just like a circus  
Don't stand there watching me, follow me, show me what you can do  
Everybody let go, we can make a dance floor just like a circus  
There's only two types of guys out there  
Ones that can hang with me and ones that are scared  
So, baby, I hope that you came prepared  
I run a tight ship, so beware  
I'm like the ring leader, I call the shots (Call the shots) I'm like a firecracker, I make it hot  
When I put on a show  
I feel the adrenaline moving through my veins  
Spotlight on me and I'm ready to break  
I'm like a performer, the dance floor is my stage  
Better be ready, hope that you feel the same  
All eyes on me in the center of the ring just like a circus  
When I crack that whip everybody gon' trip just like a circus  
Don't stand there watching me, follow me, show me what you can do  
Everybody let go, we can make a dance floor just like a circus  
Let's go  
Let me see what you can do  
I'm runnin' this like-like-like-like a circus  
Yeah, like a what? Like-like-like-like a circus  
All eyes on me in the center of the ring just like a circus  
When I crack that whip everybody gon' trip just like a circus  
Don't stand there watching me, follow me, show me what you can do  
Everybody let go, we can make a dance floor just like a circus  
All eyes on me in the center of the ring just like a circus  
When I crack that whip everybody gon' trip just like a circus  
Don't stand there watching me, follow me, show me what you can do  
Everybody let go, we can make a dance floor just like a circus
