Why Do You Love Me

Garbage

I'm no Barbie doll I'm not your baby girl I've done ugly things And I have made mistakes And I am not as pretty as those girls in magazines I am rotten to my core if they're to be believedSo what if I'm no baby bird hanging upon your every word Nothing ever smells of roses that rises out of mudWhy do you love me? Why do you love me? Why do you love me? It's driving me crazyWhy do you love me? Why do you love me? Why do you love me? It's driving me crazy Why do you love me? Why do you love me? Why do you love me? It's driving me crazyWhy do you love me? Why do you love me?You're not some little boy Why you acting so surprised? You're sick of all the rules Well I'm sick of all your lies Now I've held back a wealth of shit I think I'm gonna choke I'm standing in the shadows With the words stuck in my throat Does it really come as a surprise When I tell you I don't feel good That nothing ever came from nothing, man Oh, man, ain't that the truth Why do you love me? Why do you love me? Why do you love me? It's driving me crazyWhy do you love me? Why do you love me? Why do you love me? It's driving me crazyWhy do you love me? Why do you love me? Why do you love me? It's driving me crazyWhy do you love me? Why do you love me?I get back up and I do it again Get back up and I do it again

Get back up and I do it again Get back up and I do it Do it againI think you're sleeping with a friend of mine I have no proof But I think that I'm rightYou still got the most beautiful face It just makes me sad Most of the timeI get back up and I do it again Get back up and I do it again Get back up and I do it again Get back up and I do it Do it again Do it again Do it again Do it againWhy do you love me? Why do you love me? Why do you love me? It's driving me crazyWhy do you love me? Why do you love me? Why do you love me? It's driving me crazyWhy do you love me? Why do you love me? Why do you love me? Why do you love me?
