

# One of Those Summer Days

## Rhye

It's one of those pretty summer summer days  
It's one of those pretty summer summer days Just a tiny one  
Just a tiny one  
Just a tiny one  
Come this way  
Come this way  
Just a tiny way  
Come this way  
Come this way It's one of those pretty  
It's one of those summer summer days  
I wish you could see it  
It's one of those pretty summer summer days  
Just a tiny one  
Just a tiny one  
Just a tiny one  
Come this way  
Come this way  
Just a tiny way  
Come this way  
Come this way
