## **One of Those Summer Days**

## Rhye

It's one of those pretty summer summer days
It's one of those pretty summer summer daysJust a tiny one

Just a tiny one

Just a tiny one

Come this way

Come this way

Just a tiny way

Come this way

Come this wayIt's one of those pretty

It's one of those summer summer days

I wish you could see it

It's one of those pretty summer summer days

Just a tiny one

Just a tiny one

Just a tiny one

Come this way

Come this way

Just a tiny way

Come this way

Come this way
