

# Stardust

Louis Armstrong

Sometimes I wonder why I spend  
The lonely nights dreaming of a song  
The melody haunts my reverie  
And I am once again with you When our love was new  
And each kiss an inspiration  
Ah but that was long ago  
Now my consolation is in the stardust of a song Beside the garden wall when stars are bright  
You are in my arms  
The nightingale tells his fairy tale  
Of paradise where roses grew  
Though I dream in vain  
In my heart it will remain  
My stardust melody  
The memory of love's refrain
