

# It's Your Life

Francesca Battistelli

This is the moment  
It's on the line  
Which way you gonna fall?  
In the middle between  
Wrong and right  
But you know after all It's your life  
What you gonna do?  
The world is watching you  
Every day the choices you make  
Say what you are and who  
Your heart beats for  
It's an open door  
It's your life  
Are you who you always said you would be?  
With a sinking feeling in your chest  
Always waiting for someone else to fix you  
Tell me when did you forget It's your life  
What you gonna do?  
The world is watching you  
Every day the choices you make  
Say what you are and who  
Your heart beats for  
It's an open door To live the way that you believe  
This is your opportunity  
To let your life be one that lights the way  
It's your life  
What you gonna do?  
The world is watching you  
Every day the choices you make  
Say what you are and who  
Your heart beats for  
It's an open door It's your life  
What you gonna do?  
The world is watching you  
Every day the choices you make  
Say what you are and who  
Your heart beats for  
It's an open door  
It's your life  
It's your life
