All Alright

Fun.

Yeah it's all alright
I guess it's all alright
I got nothing left inside of my chest
But it's all alright
Yeah, it's all alright
I guess it's all alright
I got nothing left inside of my chest
But it's all alrightAnd I got the call soon as the day hit night
As soon as the headlights lit up the Westside

I stopped the car and came outside
Cause I know that tone
I remember the first time
We wished upon parallel lines
Waiting for a friend to call
And say they're still alive
I've given everyone I know

A good reason to go
I was surprised you stuck around
Long enough to figure outThat it's all alright
I guess it's all alright
I got nothing left inside of my chest
But it's all alright

Yeah, it's all alright

I guess it's all alrightI got nothing left inside of my chest
But it's all alrightAnd now all my loves that come back to haunt me
My regrets and texts sent to taunt me
I never claimed to be more than a one-night stand
I've given everyone I knowA good reason to go
But I came back with the belief

That everyone I love is gonna leave me

And it's all alright
I guess it's all alright
I got nothing left inside of my chest

But it's all alrightYeah it's all alright
I guess it's all alright

I got nothing left inside of my chest But it's all alrightAnd I know, ohh nooo

You've fallen from the sun

Crashing through the cloudsI see you burning out
And I know, ohh nooo
That I put up a front

But maybe, just this once

Let me keep this one Yeah it's all alright
I guess it's all alright
I got nothing left inside of my chest
But it's all alright
Yeah it's all alright
I guess it's all alright
I got nothing left inside of my chest
But it's all alright
Yeah, it's all alright
I guess it's all alright

I got nothing left inside of my chest
But it's all alright
Yeah it's all alright
I guess it's all alright
I got nothing left inside of my chest
But it's all alright
