This Ain't a Love Song

Scouting for Girls

Every night I remember that evenin' The way you looked when you said you were leaving The way you cried as you turned to walk awayThe cruel words and the false accusations The mean looks and the same old frustrations I never thought that we'd throw it all away But we threw it all awayAnd I'm a little bit lost without you And I'm a bloody big mess inside And I'm a little bit lost without youThis ain't a love song, this is goodbye This ain't a love song, this is goodbyeI've been lost, I've been out, I've been losing I've been tired. I'm all hurt and confusion I've been mad, I'm the kind of man that I'm not I'm throwin' down, I'll be coming back fighting I may be scared and a little bit frightened But I'll be back, I'll be coming back to lifeI'll be coming back to life And I'm a little bit lost without you And I'm a bloody big mess inside And I'm a little bit lost without youThis ain't a love song this is goodbye This ain't a love song this is goodbyeAnd you can try (And you can try) And you can try but you'll never keep me down And you can try (And you can try) And you can try but you'll never keep me downLa la I won't be lost, I won't be down And I'm a little bit lost without you And I'm a bloody big mess inside And I'm a little bit lost without youThis ain't a love song this is goodbyeIt's alright (It's alright) 'Cause you can try but you'll never keep me down It's alright (It's alright) I may be lost but you'll never keep me down You can try (You can try) You can try but you'll never keep me down You can try (You can try) I know I'm lost but I'm waiting to be found You'll never keep me down You'll never keep me down Never keep me down
